the*

# future

The Building and Construction Authority (BCA) champions the development and transformation of the built environment sector, in order to improve Singapore's living environment. BCA oversees areas such as safety, quality, inclusiveness, sustainability and productivity, all of which, together with our stakeholders and industry partners, help to achieve our mission to transform the Built Environment sector and shape a liveable and smart built environment for Singapore.

## BCA ACADEMY

BCA Academy is the education arm of the Building and Construction Authority, Singapore. Since its establishment in 1984, BCA Academy has been providing a wide range of training and education programmes tailored to advance the built environment sector. These programmes are rigorous and practice-oriented, specifically designed for professionals, management and executive personnel, technical specialists, as well as talent pipeline to the sector. BCA Academy also partners established universities to deliver leadership and academic programmes to develop the managerial and technical competencies of industry leaders and practitioners, who play a crucial role to future-proof the built environment sector.

## MESSAGE FROM MANAGING DIRECTOR, BCA ACADEMY

Dear Graduands,

Heartiest Congratulations! Today, we honour your accomplishments as graduates of the BCA Academy (BCAA) and celebrate the endless possibilities that your education has prepared you for. I believe you have gained strength from your perseverance in pursuing new knowledge in the last couple of years despite the challenging period of the global pandemic.

As the education institution of the Building & Construction Authority, BCAA is committed to supporting you throughout your journey and career in the built environment sector. To support lifelong learning in driving growth and innovation, BCAA will continue to anticipate and dynamically respond to facilitate capability development for key industry stakeholders of the sector.

Advancement of the sector can be accelerated when we work collaboratively across the value-chain to drive collective transformation. To this end, BCAA will be pivoting towards more value-chain based interdisciplinary and experiential learning as part of the structured continuing education and training (CET) framework. With effective learning, I am optimistic that many of our graduates will go on to expand the depth and breadth of our ecosystem.

Going forward, your needs and aspirations will continue to evolve. Some of you may also seek to further your academic qualifications. I am delighted to share that through a long term strategic partnership with the Singapore University of Social Sciences (SUSS), we launched 2 new Graduate Diploma programmes in Project Management and Facility Management early this year. These Graduate Diploma certificates are stackable towards a Masters Degree in the Built Environment.

It is important that you adopt a growth mindset through constantly refreshing your skills and knowledge through a spirit of lifelong learning. Only with knowledge can one effectively catalyse transformation & action.

Once again, Congratulations to the Class of 2022 and I welcome you as our Alumni !

**Leong-Kok Su-Ming**

## List of Specialist Diploma Graduates

• Specialist Diploma in Architectural Technology	15
• Specialist Diploma in Building Cost Management	15
• Specialist Diploma in Building Information Modeling	15-16
• Specialist Diploma in Computational BIM (Building)	16
• Specialist Diploma in Construction Management	17
• Specialist Diploma in Construction Productivity	17-18
• Specialist Diploma in Design for Manufacturing & Assembly	18
• Specialist Diploma in Facility & Energy Management	19
• Specialist Diploma in Interior and Landscape Design	19
• Specialist Diploma in M & E Co-ordination	20
• Specialist Diploma in MEP Modularisation	20
• Specialist Diploma in Underground Construction	20
• Specialist Diploma in Virtual Design & Construction	21

## List of Diploma Graduates

• Diploma in Architecture (Technology)	21
• Diploma in Construction Engineering	22
• Diploma in Design (Interior and Landscape)	23
• Diploma in Digital Engineering	23
• Diploma in Electrical Engineering and Clean Energy	23
• Diploma in Facilities Management	24
• Diploma in Geo-Spatial Information and Technology	24
• Diploma in Mechanical Engineering (Green Building Technology)	24
• Diploma in Quantity Surveying	25
• SGUnited Skills (SGUS) Diploma (Conversion) in Integrated Digital Delivery (Built Environment)	25
• SGUnited Skills (SGUS) Diploma (Conversion) in Sustainable Design (Built Environment)	25

## BCAA GRADUANDS ARE WELL SOUGHT AFTER IN THE BUILT ENVIRONMENT

### Diploma Graduands

**80%** Overall Employment Rate  
(full-time employment 6 months from completion of studies in 2022)

\$2,500 Median Monthly Salary

**92%** Graduands who received job offers within  
3 months of completion of studies

**63%** Graduands who received 2 or more job offers

### Specialist Diploma Graduands

**44%** Expanded  
job scope

**27%** Given a pay rise  
or promotion

Based on 2022 Graduate Employment Survey.

## CONGRATULATORY MESSAGES

“ Congratulations to all the graduands from the BCAA Diploma and Specialist Diploma programmes. Well done! The BCAA programmes are designed and curated to meet the current and future skills needed for our built environment’s sustainability, growth and transformation. Continuous learning and upgrading skillsets are crucial for personal development and industry contribution. Therefore, I am glad and encouraged to see so many graduands having the passion and positive mindset to achieve your goals. Your efforts are commendable and celebrated. I look forward to your impactful contributions to transforming our industry and reaping the reward and satisfaction of your effort.”

**ER. CHUCK KHO CHZA MAI**

*President of Association of Consulting Engineers  
Singapore (ACES)*

“ Congratulations to all the full-time, part-time and Specialist Diploma graduates! The road to graduation has likely to have been a long, steep climb for some of you, so take this moment to be proud of your accomplishments.

Personally, I am a very strong believer in education. As a lifelong learner myself, I have taken up many training courses over the years and completed my EMBA at NTU this year. Hence, I understand the heart and the passion within all of you, as an educationist or even as a teacher. It is not an easy role but it is an important

role because we contribute to moulding our future generation.

In recent times, the COVID situation has brought the FM profession into the limelight and the pace for digitization have also quickened. The FM industry needs individuals like yourselves to keep up with times, harness the advantages of progressive technologies and contribute to propelling the industry forward for the benefit of both FM companies and Building owners.

We need to come together as one, to imagine and shape the FM industry that we want and prepare for the future by shaping it. Most of us prepare for the future, either by simply accepting it or equipping ourselves for it. Instead, I would propose a more proactive way of handling the future, where we imagine and shape a future we want.

To have progress for the FM industry, do not accept the industry norm, but rather step forward and be a trailblazer. Let us work together to imagine and shape the FM industry.”

**MR FRANK NGOH**

*President of Singapore International Facility Management Association (SIFMA)*

## CONGRATULATORY MESSAGES

“ It gives me great pleasure to congratulate all graduates of the various Diploma and Specialist Diploma courses conducted by BCAA Singapore.

Through your hard work, dedication and effort, you have accomplished your academic pursuit and achieved your goals of acquiring additional knowledge and skills. I have no doubt that you will put them in good use immediately in your workplace.

On behalf of the Association of Property and Facility Managers, I wish you all the best and success in your career and future endeavours.”

### **DR. LIM LAN YUAN**

*President of Association of Property and Facility Managers*

“ Dear Graduates, I would like to congratulate all of you on this very special occasion. The effort and perseverance that you have put in deserves to be recognised and applauded. Be it whichever path that you choose to embark on, I hope that you may continue to excel and contribute in your own way, to this everchanging and growing industry!”

### **DR. SUSSIE KETIT**

*President of Singapore Institute of Building Limited*

As President of REDAS, I would like to offer my heartiest congratulations to all the graduands of the Diploma and Specialist Diploma programmes. All of you have worked hard on your part and are deservedly recognised. Your graduation comes in very timely as the BE industry is very short of talents following the pandemic. As you embark on your chosen career, I am confident that you will make a positive impact at work and in your community and social circles. Your future looks bright and promising so long as you work hard and constantly learn, unlearn and relearn. Always remember that lifelong learning is the way to improve oneself and help in your career advancement.

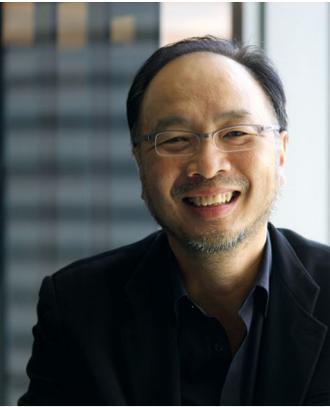

May I wish all of you a fulfilling and rewarding career ahead.”

### **MR CHIA NGIANG HONG**

*President of REDAS*

## CONGRATULATORY MESSAGES

“ I offer my heartiest congratulations to the 2022 graduates of the BCA Academy’s Diploma and Specialist Diploma programmes. The knowledge and skills gained will prepare you to take on the challenges and exciting opportunities in the Built Environment sector....

.... I wish all of you the very best for your future careers and look forward working with all of you to create a greener, healthier and more sustainable built environment for everyone, everywhere.”

**AR. TANG KOK THYE**  
*President of Singapore Green Building Council*

MESSAGE**

“ My congratulations to all the graduands in this year BCAA courses in 2022. I wish you all the best in future career and your jobs in the BE sector. Best wishes to you.”

**MR BERNARD HO**  
*President of Society of Project Managers*

“ I’d like to extend my heartiest congratulations to the graduands of the BCA Academy Diploma and Specialist Diploma programmes. You are graduating at the right time as Singapore’s Built Environment is on the cusp of exciting growth after two slow years due to the Covid 19 pandemic....

... I’m confident that the skills you’ve acquired from your education with the BCA Academy will be put to good use for the betterment of the Built Environment. I wish all of you the very best for your future careers and look forward working with all of you to create a greener, healthier and more sustainable built environment for everyone, everywhere.”

**MR DALSON CHUNG**  
*President of Institute of Engineers Singapore*

MESSAGE**

## CONGRATULATORY MESSAGES

“Congratulations on your big achievement and graduation today. I’m sure for the diploma holders, this will be your foray into the construction industry, and you’ll find it a very challenging one. For the Specialist Diploma holders, I must salute you for your perseverance in balancing between work life and study. However, I’m sure you’ll find the knowledge that you have earned to be very useful in your future work.

All and all, I would like to wish all of you success in future endeavors.”

**MR WONG KIN HOONG**

*President of Singapore Institute of Surveyors and Valuers (SISV)*

## Specialist Diploma Session

Commencement of Ceremony

Screening of Video on BCA Academy

Opening Address by Guest of Honour,  
**Mr Tan Kiat How, Senior Minister of State  
for National Development and  
Communications and Information**

Commencement Speech by  
**Ar. Rita Soh**

Presentation of Awards and Certificates

Valedictory Speech

End of Ceremony

### Commencement Speaker

**AR. RITA SOH**  
*Managing Director  
of RDC Architects*

Ar. Soh has been involved in the design and project management of healthcare, hospitality, residential, commercial, industrial, institutional and infra-structure projects, both locally and overseas. In her 33 years of career, Ar. Soh has served the BE sector in various capacities. She was the President of the Singapore Institute of Architects (2004 - 2010), President of Board of Architects (2010 - 2015), Nominated Member of Parliament (2014 - 2015), President of Architects Regional Council Asia (2019 – 2021), and held Chairman and jury positions for prestigious architectural design awards. For her leadership and immense contributions to the BE sector, Rita was conferred the title of iBuildSG Distinguished Fellow in 2020.

Ar. Soh is an exemplar of lifelong learning. After graduating from the National University of Singapore in 1987, she obtained a Master of Science (Sustainable Building Design) from the University of Nottingham (UK) in 2011. She also took a Specialist Diploma in Virtual Design and Construction (VDC) from the BCA Academy to gain more hands-on knowledge and experience on the latest technologies. This supported her push for integration of BIM from design to construction in her team's projects.

## Diploma Session

Commencement of Ceremony

Screening of Video on BCA Academy

Opening Address by Guest of Honour,  
**Mr Lim Sim Seng, Chairman, BCA Board**

Commencement Speech by  
**Ar. Tang Kok Thye**

Presentation of Awards and Certificates

Valedictory Speech

End of Ceremony

## Commencement Speaker

**AR. TANG KOK THYE**  
*Associate Partner  
of ADDP Architects  
LLP, President of  
Singapore Green  
Building Council*

An Associate Partner with ADDP Architects LLP with over 20 years of experience, Ar. Tang has been involved in the design of many notable residential buildings. One of his projects, Treehouse, has been awarded the World's Largest Vertical Garden by Guinness World Records.

A certified SGBC Green Mark Accredited Professional, Ar. Tang has completed numerous Green Mark projects, including the first Platinum SLEB (Super Low Energy Building) for residential. In 2012, he was named Green Architect of the year under the BCA-SGBC Green Building Individual Awards.

Ar. Tang is currently the President of the Singapore Green Building Council (SGBC), Co-Chairman of the Green Built-Environment Advisory Committee as well as REDAS Honorary Architectural Advisor.

Ar. Tang graduated from NUS School of Architecture in 1994 and obtained a Master of Science (Real Estate) in 2005. He has been a qualified architect registered with the Board of Architects Singapore since 1997 and a member of Singapore Institute of Architects. He is also registered as an ASEAN and APEC Architect.

## AWARD WINNERS FOR SPECIALIST DIPLOMA

### GOLD AWARDS

Phee Edgardo Flores, Architectural Technology  
Kwee Lanny Kurnianingrum, Building Information Modeling  
Cheng Kok Boon Paul, Construction Productivity  
Kong Wei Foong, Facility & Energy Management  
Ma Teresa Tablate Gabagat, Virtual Design & Construction

### SILVER AWARDS

Patagnan Ann Catherine Tiongkiao, Architectural Technology  
Wah Wah Myint, Building Information Modeling  
Koh Ye Bin Benjamin, Construction Productivity  
Zaw Chan Myae, Facility & Energy Management  
May Thazin Oo, MEP Modularisation  
Ganesan Kathiravan, Virtual Design & Construction

### BRONZE AWARDS

Yadanar Pyae Kyaw, Architectural Technology  
Kanchoor Aparna, Building Information Modeling  
Ang Swee Cheng, Computational BIM (Building)  
Wong Chee Hong, Construction Productivity  
Lim Wan Fen, Design for Manufacturing & Assembly  
Tint Lwin Oo, Facility & Energy Management  
Chua Chen Qi, Interior and Landscape Design  
Myo Myint Maung, MEP Modularisation  
Maria Louretta Nico De Leon, Virtual Design & Construction

### MERIT AWARDS

Aye Thinzar Maung, Architectural Technology  
Ventajar Manuel Jose Ballesteros, Architectural Technology  
Christy Chen Sijia, Building Cost Management  
Isepran Vikneshwari, Building Cost Management  
M G Manoj Thushara Wimalarathne, Building Cost Management  
Myat Yie Win, Building Cost Management  
Phyu Zar Oo, Building Cost Management  
Yi Yi Ko, Building Cost Management  
Hu Weiqi, Building Information Modeling  
Mi Chaw Su Kyi, Building Information Modeling  
Nhin Wai Kyaw, Building Information Modeling  
Raj Kumari, Building Information Modeling  
Sow Choon Hua, Building Information Modeling  
Lee Xuan Yen, Computational BIM (Building)  
Liew Yu Li, Computational BIM (Building)

## AWARD WINNERS FOR SPECIALIST DIPLOMA

### MERIT AWARDS

Muhammad Hannan Bin Mohamed Khair, Construction Management  
Palomares Darianne Abletes, Construction Management  
Reynald Lara Dionillo, Construction Management  
Yong We Seen, Construction Management  
Du Mingfeng, Construction Productivity  
Goh Chee Chiang Joseph, Construction Productivity  
Goh Yen Shiu, Construction Productivity  
Pang Chok Yi, Construction Productivity  
Sik Wee Teng, Construction Productivity  
Tan Chia How, Construction Productivity  
Zhang Jing, Construction Productivity  
Foong Guowei, Alvin, Design for Manufacturing & Assembly  
Ho Han Nee (He Hanni), Design for Manufacturing & Assembly  
Tan Eng Hwee (Chen Yinghui), Design for Manufacturing & Assembly  
Tey Siew Hai, Design for Manufacturing & Assembly  
Lee Meng Chye, Facility and Energy Management  
Leong Li Bei Letecia, Facility and Energy Management  
Tay Ling Yong, Facility and Energy Management  
Tonya Wong Per Lin, Facility and Energy Management  
Chong Jia Hao, Interior and Landscape Design  
Lee Lixing, Interior and Landscape Design  
Leow Xing Ru (Liao Xingru), Interior and Landscape Design  
Ng Vee Siong, Interior and Landscape Design  
Gay Siew Ching, M&E Co-ordination  
Heng Kai Yin Kentie, M&E Co-ordination  
Lee Choon Seng, M&E Co-ordination  
Lim Yan Ling Rachel, M&E Co-ordination  
Rina Lim Zhi Ying, M&E Co-ordination  
Gan Yee Sheng, MEP Modularisation  
Liu Jun, MEP Modularisation  
Soh Ming Zhe Kenneth, MEP Modularisation  
Chan Chian Poh, Underground Construction  
Ei Yaminn Maung, Underground Construction  
Phyo Ko Ko, Underground Construction  
Phyo Thu Kha, Underground Construction  
Satish Kumar S/O Rajindrin, Underground Construction  
Leonzon Gerardo Maghinang, Virtual Design & Construction  
Zinampan Gilbert Canapi, Virtual Design & Construction

## AWARD WINNERS FOR DIPLOMA

- CHAIRMAN AWARD** Ng Ying Cong, Architecture (Technology)
- GOLD AWARDS** Lim Anthony Wanandi, Construction Engineering  
Kalvin, Design (Interior and Landscape)  
Lim Chu Xiong, Facilities Management  
Jin Long, Geo-Spatial Information and Technology  
Arumugam Palanikumar, Mechanical Engineering (Green Building Technology)  
Zhou Xiangyi, Quantity Surveying
- SILVER AWARDS** Pok Oukang, Architecture (Technology)  
Chan Sze-Heem (Chen Siqian), Construction Engineering  
Chen Xiyang, Design (Interior and Landscape)  
Lim Chee Hoe, Facilities Management  
Aung Ko Ko Thein, Geo-Spatial Information and Technology  
Vineet Negi, Mechanical Engineering (Green Building Technology)  
Li Ruodan, Quantity Surveying
- BRONZE AWARDS** Huang Yuhan, Architecture (Technology)  
Thein Soe, Construction Engineering  
Nur Liyana Binti Mohamad Ta'at, Design (Interior and Landscape)  
Jaykay Zhang Jiakang (Chong Fukang), Facilities Management  
Lim Teck Hwa, Geo-Spatial Information and Technology  
Tan Jia Zhi, Mechanical Engineering (Green Building Technology)  
Zhao Zihan, Quantity Surveying
- MERIT AWARDS** Joseph Lam Meng Hui, Architecture (Technology)  
Zhang Huaixuan, Architecture (Technology)  
Hu Tianao, Construction Engineering  
Hui Cheuk Hei, Construction Engineering  
Lin Pyi Maung, Construction Engineering  
Sai Aung Win, Construction Engineering  
Tan Kiam Boon, Construction Engineering  
Toe Myint Naung, Construction Engineering  
Chua Jin Wee, Digital Engineering  
Kyaw Zay Ya, Geo-Spatial Information and Technology  
Abdul Hameed Thhishana Marliya, Mechanical Engineering (Green Building Technology)  
Meiyar Santhosh, Mechanical Engineering (Green Building Technology)  
Yan Xu, Quantity Surveying  
Zhao Haiou, Quantity Surveying
