Celebrating

Years of Diploma Education

The Building and Construction Authority (BCA) champions the development and transformation of the built environment sector, in order to improve Singapore's living environment. BCA oversees areas such as safety, quality, inclusiveness, sustainability and productivity, all of which, together with our stakeholders and industry partners, help to achieve our mission to transform the Built Environment sector and shape a liveable and smart built environment for Singapore.

BCA ACADEMY

BCA Academy is the education arm of the Building and Construction Authority, Singapore. Since its establishment in 1984, BCA Academy has been providing a wide range of training and education programmes tailored to advance the built environment sector. These programmes are rigorous and practice-oriented, specifically designed for professionals, management and executive personnel, technical specialists, as well as talent pipeline to the sector. BCA Academy also partners established universities to deliver leadership and academic programmes to develop the managerial and technical competencies of industry leaders and practitioners, who play a crucial role to future-proof the built environment sector.

Dear Graduands,

Heartiest congratulations on achieving this significant milestone! Today, we celebrate your achievements as the 20th cohort of graduates from the BCA Academy. Your journey, marked by challenges, stands as a testament to your unwavering perseverance and dedication that has led you to this momentous occasion.

Our built environment industry is poised for an exciting evolution. The path ahead is illuminated by the promise of fresh opportunities, propelled by the dynamic landscape of emerging trends, technological advancements, and transformative innovation. As you graduate the diploma and specialist diploma programmes, you will be at the forefront of this change, and the future holds boundless prospects for those who embrace it with vigour and foresight.

The acceleration of our sector's progress lies in the collaborative synergy across the entire value chain. The intertwining of efforts and expertise is the catalyst that propels us forward. As you embark onwards in your professional journey, recognize that your needs and aspirations will evolve. It is paramount to adopt a growth mindset, to be agile and innovative in your approach, shaping your skills and knowledge through a commitment to lifelong learning.

Knowledge, indeed, is the key that unlocks your potential and steers the future of our industry. The world stands at the cusp of exponential growth and change. With the advent of artificial intelligence, the next 25 years will usher in a new era of innovative inventions, new ways of confronting old and new challenges. And every industry will need to know how to embrace and use AI and technology to re-invent their industry. Do not be afraid of change; embrace it, adapt & change with it. The more we learn, the more we grow; the more we adapt, the more we contribute.

Congratulations once again Class of 2023! We eagerly anticipate the indelible mark you will make in shaping the landscape of our industry.

CONGRATULATORY MESSAGES

Mr Lee Kay Chai

President,

Singapore Contractors
Association Ltd (SCAL)

I extend my heartfelt congratulations to each and every one of you on this special day – this remarkable achievement is a testament to your dedication, hard work, and resolute determination. As you step into the dynamic world that is our construction industry, carry with you the knowledge and skills you've gained at BCAA. I am confident that all your contributions will be substantial components of the effort to push the industry forward into the future, and I am sure all of you will continue to embody the highest standards of professionalism in our industry.

As future leaders and contributors, your knowledge and innovative spirit are key to our nation's continued growth and success. Learning is a lifelong journey, and the challenges you face will only serve to further strengthen your capabilities.

Congratulations once again, and we look forward to witnessing the positive impact you will make on our industry!

Er Chuck Kho

President,
Association of

Consulting Engineers
Singapore (ACES)

Congratulations Graduands from BCA Academy Diploma and Specialist Diploma Programmes!

Your determination and commitment have brought you to this significant milestone. As you step forward with your well-earned diplomas, remember that you are equipped with the skills and knowledge to make a meaningful impact in your chosen fields. The journey ahead holds endless opportunities for you to shine and excel. Embrace the challenges and successes that come your way, and continue to strive for excellence.

Wishing you a future filled with achievement and fulfillment.

Mr Bernard Ho

President,

Society of Project
Managers (SPM)

On behalf of Society of Project Managers, we wish all Graduands in the 2023 BCAA Graduation Ceremony our utmost congratulations.

Each of you have worked hard and made many sacrifices along the journey to make it through the courses.

You and your family will be very proud to achieve this milestone. Each of you now belongs to the big family working and serving in various sectors in the Built Environment Industry. Many of you will also help to change and improve the processes, tasks and required skillset in this industry to elevate the overall standards with the use of digital and automated technologies.

I urge you to continue your life-long learning and progressively upskill yourself so as to be part of the entire industry's transformation efforts and for yourself to stay effective in your roles. Congratulations again and I wish you the very best in your journey and to go onto greater heights.

CONGRATULATORY MESSAGES

Dr Lim Lan Yuan
President,
Association of
Property and Facility
Managers (APFM)

It gives me great pleasure to congratulate all graduates of the various Diploma and Specialist Diploma courses conducted by BCAA Singapore.

Through your hard work and effort, you have accomplished your academic pursuit by acquiring additional knowledge and skills. I have no doubt that you will put them in good use immediately in your workplace.

On behalf of the Association of Property and Facility Managers, I wish you all the best and success in your career and future endeavours.

Dr Sussie Ketit
President,
Singapore Institute Of
Building Limited (SIBL)

It is with immense joy and pride that we extend our warmest congratulations to all of our BCA graduates! Your dedication, hard work, and commitment have led you to this remarkable milestone, and we are honored to celebrate this momentous occasion with you.

As graduates in the diverse and challenging field of the built environment, you have demonstrated exceptional perseverance and determination throughout your educational journey. You have chosen a path that is not only demanding but also essential to shaping the world we live in. Your expertise in various building disciplines will contribute significantly to the development and sustainability of our communities.

Remember that learning is a lifelong journey, and your graduation is just the beginning. The built environment is ever-evolving, presenting new challenges and opportunities. We have full confidence that you are well-prepared to face these challenges head-on and make a lasting impact. As you step out into the world as graduates, continue to seek knowledge, embrace innovation, and remain dedicated to the principles of sustainability and ethical practice. Your contributions will shape the future of our built environment, making it safer, more efficient, and environmentally responsible.

Embrace this moment, savor your success, and look forward to the exciting journey ahead. The future is bright, and we wish you all the best in your future endeavours, and may your journey be filled with even greater accomplishments and boundless opportunities.

CONGRATULATORY MESSAGES

Mr Lee Ang Seng
President,
Singapore Green
Building Council
(SGBC)

Firstly, I would like to offer my heartiest congratulations to all of you, the 2023 graduands of the BCA Academy's Diploma and Specialist Diploma programmes.

The knowledge, skills and networks you have gained in the programmes will prepare you to take on the challenges and exciting opportunities as we move towards a greener low-carbon built environment. You are joining the sector at a pivotal moment where the increasing focus on green building play a vital role in advancing our nation's carbonisation objectives. Your contribution henceforth, will drive cleaner outcomes for our industry and help put in place actionable measures to reduce the risk posed by climate change. Your efforts will help to lay the foundation for the sustainable development of our world, ensuring a greener built environment for future generations.

From reduced operational costs to improved occupant wellbeing, the benefits of green buildings underscore the compelling business case for embracing the carbonisation in the built environment. As Singapore and the world intensify their climate commitments, it is imperative that we continue to build in a sustainable and environmentally-conscious manner, creating healthier low-carbon places and spaces.

I've full confidence that the skills you have combed through your education at BCA Academy will be put to excellent use for the betterment of the built environment. I wish each and every one of you the utmost success in future careers and eagerly anticipate collaborating with you to shape a greener, healthier and more sustainable built environment that benefits everyone everywhere.

Mr Frank Ngoh
President,
Singapore
International Facility
Management
Association (SIFMA)

First and foremost, I want to extend my heartfelt congratulations to all of you on this momentous day. Unfortunately, I cannot be here with you in person to celebrate, as I am currently in Beijing, China, participating in a Senior Leadership Management Program. I embarked on this journey because I firmly believe that learning should be a lifelong endeavor, regardless of age. Embracing continuous learning is essential as we navigate the ever-evolving world around us.

As you transition into the next phase of your lives, I urge you to remember that your pursuit of knowledge should never cease. Your potential is boundless, and the ability to adapt and grow is your greatest asset. Embrace lifelong learning as a lifelong commitment, and never underestimate the power of education in shaping your future. I am confident that each of you will achieve great things and make a significant impact in your respective fields.

In conclusion, I want to reiterate my heartfelt congratulations to the BCAA graduates. Your hard work and dedication have brought you to this pivotal moment, and I have no doubt that you will continue to excel in the future. As I engage in my own learning journey in Beijing, I encourage you to reach for your fullest potential, embrace lifelong learning, and go forth to shape a bright and successful future. Congratulations once again, and best of luck on the incredible journey that lies ahead!

CONGRATULATORY MESSAGES

Mr Dalson Chung
President,
The Institution of
Engineers, Singapore
(IES)

Congratulations on graduating from your Diploma or Specialist Diploma programme at the BCA Academy. This is a milestone achievement worth every celebration, as it is the culmination of your hard work and dedication.

As Singapore forges ahead to make our city and home even more endearing, the built environment sector is changing the way things are designed, built and maintained.

A pivotal ingredient for the transformation towards a more resilient, productive and competitive built environment is people. The sector needs skilled, knowledgeable, future-ready workforce capable of addressing emerging challenges and capturing new, exciting opportunities.

Being the esteemed education and training arm of the Building and Construction Authority, BCA Academy provides quality, rigorous and practice-oriented training programmes. Having been through its programme, you are now in a good position to succeed in this rapidly changing landscape.

Once again, congratulations on your achievement. As you venture further into this field, remember to stay passionate, curious and adaptable. Embrace every challenge as an opportunity to learn and strive for excellence.

I wish you every success in your future endeavours!

Mr Tan Swee Yiew
President,
Real Estate Developers'
Association of
Singapore (REDAS)

I would like to offer my heartfelt congratulations to all the graduands of the Diploma and Specialist Diploma programmes. You have worked hard and are deservedly recognised today.

As you embark on your chosen career, I am confident that you will put the knowledge and skills you acquired to good use and make a positive impact at your workplaces and community.

Your ability to break boundaries and shape the future of the built environment will be critical to your success.

May I wish all of you a fulfilling and rewarding career and a bright future ahead.
